**Review Date:** December 2023

**Review Period:** 1 year

**Next Review Date:** December 2024

### Introduction

The Griffin Primary School has three tiers of governance consisting of Members, a Board of Trustees (“the Board”) and committees to the Board. These are the Finance Committee (to include Audit and Risk Management as a sub-committee) and there is also a Headteacher Performance Management Panel. The Board delegates certain powers, responsibilities and tasks to the Finance Committee such as overseeing financial process, auditing and managing risk. This committee must communicate any concern or issue it identifies to the Chair of Trustees at the earliest opportunity. At the end of every meeting, committee members should review the proceedings and agree any matters it should bring to the attention of the Board. Conversely, the Board will also review its discussion and communicate with Committee any matters it determines to be of importance. The Scheme of Delegation sets out the responsibilities for each Board or Committee. Details about membership and a summary of key functions for each are below.
