Complete a daily exercise challenge for one week alongside … **counting how many portions of fruit and vegetables you eat in a week**.

Create a fact file of a period of prehistory of your choice.
Include subheadings and bullet points. Choose from: Palaeolithic, Mesolithic or the Neolithic period.

Follow a recipe to make a healthy meal (you must have adult supervision)
Create an advert for a new healthy meal – what will it be called?

Times Tables in Real Life
Use multiplication during everyday activities like: setting the table: 4 people × 3 items each = ?, shopping: 5 bags of apples with 4 apples in each = ?

Autumn term home learning

Please complete these tasks over the autumn term, the children will be learning about history through the ages, animal nutrition and the skeletal system, the Eatwell Plate with cooking, colour theory in art in their upcoming foundation subjects.
These can be completed in their home learning books or on separate paper if needed (eg if too large for the book).If you could then take a photograph and stick it in their book too that would be helpful as a record. You can also send photographs via Class Dojo.

Design and make your own Eatwell Plate

Create an information poster about your favourite animal, showing:
- whether it is herbivore, carnivore, or omnivore
- what foods it eats
- features that help it eat that food (teeth, claws, beak)

Include drawings and labels such as 'sharp teeth for tearing meat' or 'flat teeth for grinding plants.'

Local Land Use Detective
Go for a walk around your local area and identify different types of land use:
•Residential (houses)
•Commercial (shops)
•Recreational (parks)
•Agricultural (farms)
•Industrial (factories)

Challenge: Create a tally chart or map showing what you found.

Go on a colour hunt and photograph or draw items of every colour of the rainbow.

Investigate how colours can affect feelings and emotions.

Practise your times tables. Just one times tables to learn a week and practise.

9×5=

Carry out some **research and complete a project** on the Neolithic site of **Stonehenge**.
